

Make It Click - learner questionnaire

By completing this questionnaire, you are submitting information to Good Things Foundation. We are working closely with your community centre and will use the information you give us to evaluate the success of the Make It Click programme. We will not share any of your personal data with other organisations.

After you complete this questionnaire, the information will be uploaded onto our security protected learner management system, and this paper copy will be destroyed.

For further details on how your data is used and stored read our privacy policy at <https://www.learnmyway.com/privacy.html>
